

Date: March 29, 2018

Title of Position: HVACR Department Chair / Instructor

Bargaining Unit / Salary Range: Salary and Benefits commensurate with the Agreement between the MCCS Trustees and the MEA Faculty Unit.

SUMMARY

Central Maine Community College seeks an individual to lead the development of a series of new degree and certificate programs in heating/air-conditioning/ventilation, plumbing, and facilities maintenance. The individual will also assist in the hiring of additional program faculty, the design of lab and shop space, the purchasing of equipment, working with an industry advisory committee, and the recruitment and advising of students. Once the program is running, the individual will assume a full-time teaching responsibility in one or more of the above areas.

THE SUCCESSFUL CANDIDATE WILL HAVE AT A MINIMUM:

The successful candidate will have a minimum of an associate's degree and significant work experience in one or more of the program fields.

APPLICANT PROCESS: This position is available immediately. Consideration of applications will begin April 11, 2018, and continue until the position is filled. Please send a letter of application addressing the above, college transcripts, a current resume including names, addresses and telephone numbers of three references, and a completed CMCC employment application (available at www.cmcc.edu) to:
