1.0 GENERAL INFORMATION

1.1 Purpose: Central Maine Community College is seeking bids for furniture for two computer classrooms as specified herein.

This Request for Bid (RFB) states the instructions for submitting bids, the procedure and criteria by which a vendor may be selected and the contractual terms by which the College intends to govern the relationship between it and the selected vendor.

1.2 Definition of Parties: Central Maine Community College will hereinafter be referred to as the "College." Respondents to the RFB shall be referred to as "Bidders." The Bidder to whom the contract is awarded shall be referred to as the "Contractor."

1.3 Evaluation: Award will be made to the low bidder(s) provided that all other requirements are satisfactorily met. However, consideration will be given to quality, service, delivery, lead time, ability to meet specifications, and references.

1.4 Alternates: Unless otherwise provided for in this solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named.

1.5 Communication with the College: It is the responsibility of the bidder to inquire about any requirement of this RFB that is not understood. Responses to inquiries, if they change or clarify the RFB in a substantial manner, will be forwarded by addenda to all parties that have received a copy of the RFB. The College will not be bound by oral responses to inquiries or written responses other than addenda.

1.6 Award: The College reserves the right to award this bid on a group of items or all items, whichever the College deems to be in its best interest, price and other factors considered. The College reserves the right to conduct any tests it may deem advisable, and to make all evaluations. The College reserves the right to reject any or all bids, in whole or in part, and is not necessarily bound to accept the lowest bid if that bid is contrary to the best interests of the College. The College reserves the right to waive minor irregularities. Scholarships, donations, or gifts to the College will not be considered in the evaluation of bids. A bid may be rejected if it is in any way incomplete or irregular. When there are tie bids, there shall be a preference for "in-state bidders." When the bids are both in-state or both out-of-state, the award will be made to the bid that arrives first in Central Maine Community College's Business Office.

1.7 Award Protest: Bidders may appeal the award decision by submitting a written protest to Central Maine Community College's Dean of Finance and General Services within five (5) business days of the date of the award notice, with a copy to the successful bidder. The protest must contain a statement of the basis for the challenge.

1.8 Costs of Preparation: Bidder assumes all costs of preparation of the bid and any presentations necessary to the bidding process.

1.9 Debarment: Submission of a signed bid in response to this solicitation is certification that your firm (or any subcontractor) is not currently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal department or agency. Submission is also agreement that the College will be notified of any change in this status.

1.11 Bid Understanding: By submitting a bid, the bidder agrees and assures that the specifications are adequate, and the bidder accepts the terms and conditions herein. Any exceptions should be noted in your response.

1.12 Specification Protest Process and Remedies: If a bidder feels that the specifications are written in a way that limits competition, a specification protest may be sent to Central Maine Community College's Dean of Finance and General Services. Protests will be responded to within five (5) business days of receipt. Determination of
protest validity is at the sole discretion of the College. The due date of the bid may be changed if necessary to allow consideration of the protest and issuance of any necessary addenda. Specification protests shall be presented to the College in writing as soon as identified, but no less than two (2) business days prior to the bid opening date and time. No protest against the award due to the specifications shall be considered after this deadline. Protests shall include the reason for the protest and any proposed changes to the specifications. Protests should be delivered to the Dean of Finance and General Service’s Office in sealed envelopes, clearly marked as: **Protest furniture for two computer classrooms bid.**

1.13 Errors: Bids may be withdrawn or amended by bidders at any time prior to the bid opening. After the bid opening, bids may not be amended. If a significant mistake has been made by an apparent low bidder, the bidder will be given the option of selling at the price given or withdrawing the bid. If an extension error has been made, the unit price will prevail.

1.14 Bid Envelope: If a special envelope is not furnished, or if return in the special envelope is not possible, the signed bid should be returned in an envelope or package, sealed and identified as follows:

<table>
<thead>
<tr>
<th>Name</th>
<th>Due Date</th>
<th>Time</th>
</tr>

</table>

1.16 Submission: A signed original **plus** two (2) copies of the bid must be received at the attention of Business Office, Central Maine Community College, 1250 Turner Street, Auburn, Maine 04210, in a sealed envelope by **4:30 P.M. local time Wednesday, July 16th.** Bidders are strongly encouraged to submit bids in advance of the due date to avoid the possibility of missing the 4:30 pm deadline due to unforeseen circumstances. Bidders assume the risk of the methods of dispatch chosen. The College assumes no responsibility for delays caused by any package or mail delivery service. A postmark on or before the due date WILL NOT substitute for receipt of bid. Bids must be date and time stamped by the College on time to be considered. In the event that the College is closed due to inclement weather at the time that a bid is due, the bid will be opened at the same time on the next day that the College is open. Bidders may wish to call 207-755-5100 if the weather is bad, to learn if the College is closed. Bids received after the due date and time will be returned unopened. Additional time will not be granted to any single bidder, however, additional time may be granted to all vendors when the College determines that circumstances require it. **Due to the timeframe for response, email bid submissions will be accepted. If you choose this option, please call to confirm receipt of your submission.**

1.17 Tax Exempt: The College is exempt from the payment of Federal Excise Taxes on articles not for resale and for the Federal Transportation Tax on all shipments. The Contractor and subcontractor shall quote and shall be reimbursed less these taxes. Upon application, exemption certificates will be furnished when required. The College is exempt from the payment of Maine State Sales and Uses Taxes.

2.0 **CONTRACT TERMS AND CONDITIONS:**

2.1 **Contract Documents:** If a separate contract is not written, the contract entered into by the parties shall consist of the Request for Bids, the signed bid submitted by the Contractor, the specifications including all modifications thereof, and a purchase order or letter of agreement requiring signatures of the College and the Contractor, all of which shall be referred to collectively as the Contract Documents.

2.2 **Contract Validity:** In the event one or more clauses of the contract are declared invalid, void, unenforceable or illegal, that shall not affect the validity of the remaining portions of the contract.

2.3 **Contract Administration:** Michelle Hawley shall be the College's authorized representative in all matters pertaining to the administration of this contract, (207) 755-5370.
2.4 Litigation: This Contract and the rights and obligations of the parties hereunder shall be governed by and construed in accordance with the laws of the State of Maine. The Contractor agrees that any litigation, action or proceeding arising out of this Contract shall be instituted in a state court located in the State of Maine.

2.5 Assignment: Neither party of the contract shall assign the contract without the prior written consent of the other, nor shall the contractor assign any money due or to become due without the prior written consent of the College.

2.6 Equal Opportunity: In the execution of the contract, the Contractor and all subcontractors agree, consistent with College policy, not to discriminate on the grounds of race, color, religion, sex, sexual orientation, transgender status or gender expression, national origin or citizenship status, age, disability or veteran’s status and to provide reasonable accommodations to qualified individuals with disabilities upon request. The College encourages the employment of individuals with disabilities.

2.7 Sexual Harassment: The College is committed to providing a positive environment for all students and staff. Sexual harassment, whether intentional or not, undermines the quality of this educational and working climate. The College thus has a legal and ethical responsibility to ensure that all students and employees can learn and work in an environment free of sexual harassment. Consistent with the state and federal law, this right to freedom from sexual harassment was defined as College policy by the Board of Trustees. Failure to comply with this policy could result in termination of this contract without advanced notice. Further information regarding this policy is available from Barbara Owen, President’s Office, Central Maine Community College, 1250 Turner Street, Auburn, ME 04210, (207) 755-5233.

2.9 Smoking Policy: Central Maine Community College must comply with the "Work place Smoking Act of 1985" and MRSA title 22, 1541 et seq, "Smoking Prohibited in Public Places." In compliance with this law, Central Maine Community College has prohibited smoking on campus. This rule must also apply to all contractors and workers in existing College System buildings. The Contractor shall be responsible for the implementation and enforcement of this requirement within existing buildings.

2.10 Parking Regulations and Use of Walkways: Unregistered vehicles on the College campus are subject to a parking violation ticket and/or towing off campus. Contractors are advised that parking regulations are strictly enforced by City of Auburn police. Towing will be at the Contractor's expense.

2.11 Packaging: All shipping containers shall be properly and legibly marked or labeled on the outside with the commodity description, quantity and purchase order number.

2.12 Packing Slips: All charges must be prepaid and material delivered to the location specified. Merchandise must be accompanied by delivery slip or packing list and the purchase order number.

2.13 Payments: Payment will be upon final acceptance of product and submittal of an invoice to the College, by the Contractor on a net 30 basis unless discount terms are offered. Invoices must include a purchase order number.

2.14 Notice of Delivery: For items requiring installation it is the Contractors responsibility to notify the College at least 48 hours prior to delivery in order to allow sufficient time for staff to receive the delivery.

2.15 Furnish and Install: The items on this bid will be provided on a Contractor furnish and install basis. Items will be delivered and set in their final locations as directed by CMCC personnel. The Contractor will have the complete responsibility for the items or system until it is in place and working. Any special installation requirements will be submitted with the bid to the College. All transportation and installation arrangements will be the responsibility of the Contractor. Furniture will be delivered directly to the installation site. Delivery notification must be made to Pamela J. Remieres-Morin at least two (2) work days prior to delivery. All crating and other debris must be removed from the premises. The Contractor will be solely responsible for correcting damage to premises resulting from the installation process.
2.16 Manuals: The Contractor shall provide, with each piece of equipment, an owner’s manual and/or maintenance instructions and parts lists. The easiest access for deliveries is at the side of Jalbert Hall. With appropriate notice, College staff can reserve a few parking spaces or clear walkway for truck access. Furniture can be brought through a single door directly into the classrooms – a distance of approximately 60 feet, all at ground level. If assembly is required, there is a double-width corridor that may be used.
