

MILITARY CROSSWALK

Students who were or are eligible members of the U.S. Armed Forces may be awarded college credit based upon their military experiences, trainings, and coursework. Central Maine Community College (CMCC) recognizes Joint Services Transcripts (JST) as official documentation of military experiences, training and coursework. To be considered for academic credit, service members must request an official JST from CMCC's School Certifying Official (SCO) located in the Office of Financial Aid. The SCO coordinates veteran's education benefit programs with the Veterans Administration. If you do not see your JST code below, please contact the Associate Dean of Academic Affairs at 207-755-5286.
