

Welcome to CM

What you can expect . . . From our inside events: Women's and Men' Basketball

Directions: Directions to our college are available on our Internet site @ cmcc.edu (You may also contact CM for directions by calling 755-5251.)

Game Time: We strive to begin all athletic events on time and encourage the visiting team to arrive accordingly.

Locker Rooms: Our locker rooms are located next to the athletic office on the west side of the gym. Our locker rooms are equipped with three showerheads. We encourage teams to put together a valuable bag that should be kept at their bench. We can, upon request, lock each locker room while the game is in progress.

Facility: Our gym holds between 250-400 people. Game attendance is based on the day of the week and who our opponent is.

Admission: We charge \$3.00 for adults and \$1.00 for students.

Crowd: We do have an active crowd, which attends our basketball games. Our "home rule" is that fans cannot be rude, crude, or vulgar. Any fans that violate the above rule will be asked to leave the premises. Typically we do not have these types of problems.

Half Time: We generally have a half time promotion each game. During this time we have a variety of pro team mascots, college recognition nights, youth basketball games, shootouts, and other college sponsored events to entertain the crowd.

Music: We usually have a DJ that plays music at all our games.

Television: Most of our home games are televised on our local cable access channel. All of our games have two announcers that, with your permission, may request a pre or post-game interview with you or one or more of your players.

Concession: A concession stand is usually open for most games.

Programs: If the visiting team provides us their roster well enough in advance we will have a game program available.

Athletic Trainer: We provide an athletic trainer for each game. The trainer is available one half hour before each game for taping and during the game for injuries. (Each visiting team must provide their own tape and first aid necessities.)

Statistics: We usually provide each team computer generated statistics of the game at the end of each game.

Basketballs: You do not have to bring basketballs, we will provide as many balls, as you need. Please alert us upon arrival at the gym on how many basketballs you will need.

Water: We will have a Gatorade jug full of ice water behind your bench

Request(s): We work diligently to provide an exciting atmosphere for the fans and the players. We ask that each team demonstrate respectable behavior toward players, coaches, officials, game personnel, and fans. Reminder: Our games are televised live. We want to insure all our schools are represented in a positive manner.
