Graphic Communications

Program Level Learning Outcomes

Required Courses	Demonstrate basic skill competency using industry standard software applications.	Demonstrate basic skill competency operating GRC peripherals and equipment.	Create a portfolio which will be updated throughout the student's enrollment in the GRC program.	Demonstrate the ability to work collaboratively and/or to participate in critique sessions where the student's work and the work of others will be examined and edited.	Demonstrate the ability to apply principles and elements of design as projects progress from the idea stage to a finished project.
GRC 102 Graphic Design I				I	I
GRC 103 Digital Page Layout I	I			I	I
GRC 106 Vector Illustration I	I	I	I	I	I
GRC 107 Digital Systems & Equipment Operation I		I	I		
GRC 119 Web Media I	I				I
GRC 176 Photoshop I	I	I	I	I	
GRC **Elective** 118 Introduction to Digital Photography			I	I	
GRC **Elective** 152 Portfolio Design & Development			I	I	
GRC **Elective** 153 Introduction to Screen Printing	I	I			I
GRC **Elective** 204 Vector Illustration II	R	R	R	R	R
GRC **Elective** 210 Digital Page Layout II	R			R	R
GRC **Elective** 220 Web Media II	R				R
GRC **Elective** 249 Digital Photo Editing	I		R		
GRC **Elective** 250 Graphic Design II				R	E
GRC **Elective** 252 Advanced Screen Printing	R			E	R
GRC **Elective** 254 Digital Imaging & Wrap Installation	R	R		R	R
GRC **Elective** 276 Photoshop II	R		R	R	R
GRC **Elective** 296 Special Topics					
GRC **Elective** 297 Internship Experience			R		
GRC **Elective** 298 Production Experience	E A	E A	R A	R A	R A

I-Outcome introduced; R-Outcome Reinforced; E-Outcome Emphasized; A-Outcome Assessed
