

## CREDENTIAL REVIEW for PRIOR LEARNING ASSESSMENT

At Central Maine Community College, a student may qualify to receive academic credit for by presenting proof of a current and valid professional credential designed to assess the student's knowledge in a field. Credential review is subject to applicability to the student's program of study. Eligibility: Students must be registered, matriculated at CMCC. Bring original, current, valid credentials to the Registrar's Office or to the Associate Dean of Academic Affairs. Official transcripts or training materials may be required.

### Automotive Technology

Certification	Course	Credits
ASE A1 - Engine Repair	AUT 130,131 or 152	4
ASE A2 - Auto Transmission	AUT 240 or 241 if current ASE A3	6
ASE A3 - Manual Drive Train and Axles	AUT 252 or 241 if current ASE 2	4
ASE A4 Steering and Suspension	AUT 120; AUT 292 if current ASE A5 & A6	up to 6
ASE A5 Brakes	AUT 110; AUT 292 if current ASE A4 & A6	up to 6
ASE A6 Electrical and Electronics	AUT 150,159 if current ASE A7	8
ASE A7 Heating and Air Conditioning	AUT 159 if current ASE A6	1
ASE A8 Engine Performance	AUT 170	4
ASE L1 Advanced Engine Performance	AUT 244, 276 or 271	7
SP2 Automotive Online Certification (within last 3 years)	AUT 100	1
State Inspection License	AUT 200	1

Credit is awarded for SP2 certification if completed within the past 3 years. For credit to be awarded for ASE and/or SP2 certifications, a student must be or have been employed in the automotive field for at least three of five years prior to matriculation. Students may retake current exams to qualify for credit.

### Business

Microsoft Office Specialist (MOS) Exams 77-420 & 77-427	BCA 241	3
Microsoft Office Specialist (MOS) Exam 77-424	BCA 246	3

### Computer Technology
