

# CRIMINAL JUSTICE

Associate in Applied Science

To prepare students for careers in the criminal justice system, the Associate in Applied Science in Criminal Justice is designed with a three-fold purpose:

- To prepare graduates for entry-level positions in law enforcement or related fields
- To prepare students for transfer to bachelor's degree programs at four-year colleges or universities
- To respond to the growing demand of law enforcement professionals who need to enhance their knowledge and skills in order to advance in their careers

## **Graduates may pursue careers as:**

- **Detectives**
- **Criminal Investigators**
- **Correctional Officers**
- **Forensic Science Technicians**
- **Protective Service Workers**
- **TSA Agents**
- **Security Systems Personnel**
- **Homeland Security Officers**
- **Entry Level Administrative Positions**
- **Transportation Security Officers**
- **Reserve Officers**
- **Safety Officers**
- **Intake Worker Positions**
- **Jail Transport Officers**

**"The instructors here are real-life police officers, so they're able to take real-life situations they've been in...and apply it to what we're learning."**

### Criminal Justice Degree Prerequisites/Requirements:

All students taking Criminal Justice courses will be subject to a criminal background check. A criminal conviction will not automatically prevent a person from being accepted into the program. The applicant would be denied acceptance if they have a "disqualifying conviction" or committed "disqualifying conduct" as defined by the Maine Criminal Justice Academy. Such conviction / conduct prohibits a person from being certified / licensed as a police officer in the State of Maine.
