

GENERAL STUDIES

Associate in Arts

The General Studies program is a great way to reach your academic and personal goals, whether you're uncertain about where you want to start or if you are looking to transfer to a four-year institution.

Consider General Studies if you:

- Have yet to declare a major and are interested in exploring different programs
- Are completing program prerequisites
- Want to transfer to a four-year college or university
- Have interest in the flexibility to create a customized degree program for which no other major exists

Students have the opportunity to develop skills in communication, humanities, social sciences, mathematics and science.

Graduates are prepared to transfer to a four-year college or university in pursuit of a bachelor's degree.

Students in this program are encouraged to work closely with their academic advisor and the Director of Placement and Transfer Services to plan a course of study that meets their educational goals.

This program is also available 100% online.
