

Electromechanical Technology Instructor

Date: May 30, 2019

Bargaining Unit / Salary Range: Salary and Benefits commensurate with the Agreement between the MCCS Trustees and the MEA Faculty Unit.

INSTITUTION

Central Maine Community College (CMCC) is a 2-year community college located just a short distance from the ocean and mountains of Maine. CMCC serves approximately 3,000 students from Androscoggin, Franklin, Lincoln, and Oxford counties but has students from around the world on our campus. The students are served by approximately 150 faculty and staff members. Every year approximately 500 students graduate with an associate's degree or certificate. The College offers educational opportunities for both transfer to baccalaureate programs and career preparation. Associate in arts and associate in science degrees are designed as the first two years of a more advanced degree. The associate in applied science degree and certificates are designed to prepare students for direct entry into the workplace. All graduates are expected to have a set of core competencies that will enable them to be qualified and productive members of the workforce and to continue their education after they graduate and throughout their lives.
