

Architectural and Civil Engineering program

Adjunct instructor positions available for spring 2020-2021 (January 11 – May 3)

Courses:

Structures I (ACE 121)

Commercial Site Design (ACE 225)

Project Management (ACE 274)

Course descriptions can be found in the College catalog at www.cmcc.edu

Central Maine Community College is looking for adjunct instructors to teach architectural and engineering related subjects in wood structures, commercial site design and project management. Applicant must have a Bachelor's Degree (Master's preferred) and five years of experience in relevant subject area. Online instruction and experience with Zoom is desired. State of Maine professional architect's or interior designer or engineering (PE) license preferred. This person should possess enthusiasm and passion for student learning and be able to respond to the needs of students using a variety of teaching methods.

Application process:

Send a cover letter, a completed CMCC application (found on our website www.cmcc.edu), and resume immediately to:

Jennifer Lyons, Assistant to the Academic Dean
Central Maine Community College
1250 Turner Street
Auburn, Maine 04210

Note: There is no deadline for submission of applications. Applications will be reviewed on a rolling basis until qualified applicants are selected for interviews and the position is filled.

To enrich education through diversity, Central Maine Community College is an Equal Opportunity Affirmative Action Employer. For more information, please call (207) 755-5233.
