# HUMAN SERVICES

Associate in Applied Science

**100%**  
**ONLINE**

## Your success starts here.

Online students have our full support, with access to online tutoring, research help, advising, and financial aid.

With the **100% online** Human Services program you will enhance your current career skills, gain the skills necessary to enter the human services field, or transfer directly to a four-year college or university. **Focus in Human Services or Addiction Specialization.**

Through the program, students will:

- Learn the basic counseling skills necessary to establish collaborative relationships with clients and their families
- Gain knowledge of formal and informal support systems available in the community
- Analyze problems and methods of treatment
- Demonstrate awareness of challenges faced by clients in human-rights issues, finances, administrative/legal hurdles and other issues and concerns.

Graduates of this program are prepared for entry-level positions in the areas of:

- Substance abuse
- Mental health
- Developmental disabilities
- Child and adolescent services
- Gerontology

## Graduates may pursue the following careers:

- **Activity Therapist Associate**
- **Addiction Counselor**
- **Crisis Counselor**
- **Human Development Associate**
- **Mental Health Associate**
- **Rehabilitation Worker**
- **Family Worker**
- **Activity Director/Associate**
- **Volunteer Coordinator**

## Graduates may also seek employment at:

- **Community mental health centers**
- **Hospitals**
- **Social services and mental health programs**
- **Senior assistant facilities**
- **Substance abuse facilities**
- **Correctional facilities**
