How do I register for the ATI TEAS©?

Applicants will need to create an ATI TEAS© student account at atitesting.com. You will register and pay directly through your ATI TEAS© account.

How should I prepare?

ATI TEAS© study material is available at: atitesting.com/study-manual.aspx

What should I bring with me?

Bring only photo identification to testing. Testing supplies will be issued, including paper, pencil, etc. Do not bring any personal items to testing.

What if I don't pass the ATI TEAS© the first time?

Students have the option to retake the test three times for the academic year the have applied for, with a 30-day waiting period between attempts. Students will retest with a different version of the exam— no student will have the same exam items twice.

Students may retake the ATI TEAS© only after a three- day waiting period. A new ATI TEAS© Registration Form and payment must be submitted.

The exam with the highest total score will be used. No super score will be created from the subsections.
