

Date: May 3, 2021

Title of Position: Automotive Instructor

Bargaining Unit / Salary Range: Salary and Benefits commensurate with the Agreement between the MCCS Trustees and the MEA Faculty Unit.

RESPONSIBILITIES: CMCC is seeking a full-time faculty member to teach in the Automotive Technology / Ford ASSET program. The instructor must be prepared to teach a combination of day and evening classes to include a minimum 25 contact hours each semester of classroom and practicum work and supervision of associate-degree students in a variety of shop and classroom settings. Travel would be necessary to secure and maintain some certifications.

MINIMUM QUALIFICATIONS:

- Associate Degree
- Recent experience working in the automotive trade
- Ability and willingness to earn and maintain certifications to include: ASE Master Certification and Advanced Engine Performance Certification (L1), Ford Senior Master Certification, Subaru Level 2 Technician Certification, Toyota Technician Certification

PREFERRED QUALIFICATIONS:

- Bachelor's Degree
- Teaching experience
- Fluency in Ford programs including diagnostic tools and information systems
- ASE Master Certification and Advanced Engine Performance Certification (L1)
- Manufacture Master Certification(s)
- State Inspection and 609 Refrigerant Handling License
- Computer skills including but not limited to MS Office Suite

APPLICATION PROCESS: Consideration of applications will begin May 17, 2021, and continue until the position is filled. Please send a letter of application addressing the above, college transcripts, a current resume including names, addresses and telephone numbers of three references, and a completed CMCC employment application (available at www.cmcc.edu) to:
