

RECRUITING RESOURCES

Central Maine Community College provides employers the following opportunities to recruit students and alumni by publicizing job postings on campus and online.

- **Forward job descriptions and flyers** to Liz Oken, director of placement and transfer services. Please send via e-mail attachment (eoken@cmcc.edu), U.S. mail to 1250 Turner St., Auburn, ME 04210, or fax at (207) 755-5444. Please be sure the posting contains all pertinent contact information. Please include if the position is related to a specific academic area of study, so we can share with our academic department chairs.
- **Post open job positions directly on the CMCC website** by simply filling in the online form and clicking submit; it's that easy! Your job posting will go into a queue that is checked regularly and approved for posting on the website!

www.cmcc.edu/submitajob

FOR COMPANIES WITH MULTIPLE LOCATIONS: The link below contains career services contacts for all of Maine Community College campuses. Posting through the other six colleges helps publicize your available openings on a statewide basis, at no cost to you.
