

Date: July 21, 2021

Title of Position: Architectural and Civil Engineering Technology Instructor

Bargaining Unit / Salary Range: Salary and Benefits commensurate with the Agreement between the MCCS Trustees and the MEA Faculty Unit.

RESPONSIBILITIES: This full-time faculty position begins teaching responsibilities in the Architectural and Civil Engineering Department with the Fall 2021 semester and will be expected to teach a combination of day, evening and online classes. The successful candidate will be responsible for teaching 15 credit hours of architectural and civil engineering courses per semester, course development and student advising.

MINIMUM QUALIFICATIONS:

- Master's Degree in Architecture, Civil Engineering or a closely related field
- Licensed Surveyor
- Professional Experience in Civil Engineering
- Knowledge of Computer Aided Drafting

PREFERRED QUALIFICATIONS:

- Experience with program development
- Experience teaching in an online environment
- Experience with Brightspace or other Learning Management Systems

APPLICATION PROCESS: Consideration of applications will begin August 3, 2021, and continue until the position is filled. Please send a letter of application addressing the above, college transcripts, a current resume including names, addresses and telephone numbers of three references, and a completed CMCC employment application (available at www.cmcc.edu) to:
