

Date: 10/28/2021

Title of Position: Life Sciences Biology Instructor

Bargaining Unit / Salary Range: Salary and Benefits commensurate with the Agreement between the MCCS Trustees and the MEA Faculty Unit.

RESPONSIBILITIES: This full-time faculty position includes teaching responsibilities in the Life Sciences Program starting with the Spring 2022 semester. The instructor will be expected to teach a combination of lecture and laboratory classes, provide student advising, develop curriculum and conduct assessment for current and new courses. Courses are offered on-ground and online.

Proof of Covid-19 vaccination will be required prior to the first day of employment.

MINIMUM QUALIFICATIONS:

- Master's Degree in Biology, Microbiology, Biochemistry, Molecular Biology, Biotechnology, or a closely related field.
- Experience teaching biology, microbiology and genetics at the college level.
- Research experience in molecular or biotechnology lab.

PREFERRED QUALIFICATIONS:

- Experience in molecular biology techniques.
- 2+ years teaching in a community college environment.
- Experience utilizing the Brightspace learning management system.

APPLICATION PROCESS: Consideration of applications will begin November 12, 2021, and will continue until the position is filled. Please send a letter of application addressing the above, a current resume including names, addresses and telephone numbers of three references, and a completed CMCC employment application (available at www.cmcc.edu) to:
