

HUMAN SERVICES

Associate in Applied Science

**ALSO
AVAILABLE
100% ONLINE**

Turn your desire to help others into a great career! You'll acquire skills in counseling, substance use disorders, case management, crisis intervention, coordination of social services, client advocacy, psychosocial rehabilitation, and more.

The Associate in Applied Science offers you the flexibility to go directly into the workforce or advance your career by transferring to a 4-year degree!

Students completing the degree qualify for the Mental Health Rehabilitation/Community (MHRT/C) credential.

The Human Services degree program prepares graduates for positions in:

- Mental health and human services
- Substance use disorder services
- Addiction counseling
- Crisis Intervention
- Adult mental health rehabilitation
- Child and family services
- Developmental disabilities

Graduates may pursue the following careers:

- Human Services and Mental Health Generalist
- Alcohol and Drug Abuse Counselor
- Intake/Care Coordinator
- Community Support Specialist
- Behavioral Health Specialist
- Rehabilitation Specialist

Graduates may also seek employment at:

- Community mental health centers
- Social services and mental health programs
- Substance abuse facilities
- Senior services agencies and facilities
- Home health agencies
- Hospitals
