

# ARTICULATION AGREEMENT

between

## Central Maine Community College (CMCC) and the University of Maine Fort Kent (UMFK)

**Date Approved: 2/20/2023    Date to Be Reviewed: 1/1/2028**

This Articulation agreement facilitates transfer credit from Central Maine Community College (CMCC) to the University of Maine at Fort Kent (UMFK) for the two majors listed below. The evaluation and transfer of earned college credits follows compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from CMCC are eligible for credit evaluation under the terms of this agreement. To facilitate the transfer of credits, the student must submit an official transcript, from their graduating institution to UMFK (processing center).

**CMCC: Associate in Applied Science in Cybersecurity - Digital Forensics -- 2022-2023 Catalog**

**UMFK: Bachelor of Science in Computer Systems Administration – 2023-2024 Catalog**

CMCC Degree Requirements	UMFK Degree Requirements
Minimum 2.0 Cumulative GPA	Minimum 2.0 Cumulative GPA
61 minimum earned credits	120 earned credits
15 Resident credits (earned at CMCC)	30 Resident credits (earned at UMFK)
General Education Courses	General-Education Portfolio
Grades must be a C- or higher to transfer to UMFK	36 Upper-Level Credits (300 & 400)
AAS in Cyber Security posted on transcript	Courses required for the major

**This articulation agreement is approved by CMCC and UMFK per the signatures below:**

This agreement may be modified or amended only in writing and signed by both parties. This agreement may be terminated by both parties, or by either party, upon sixty (60) days of written notice to the other party. This agreement is in force until a revised agreement is created and as long as both intitutions maintain the course structure or equivalency as outlined in the agreement. The below-named institutions agree to abide by the transfer agreement set forth.
