

Transfer Articulation Agreement for Baccalaureate Degree
between
Central Maine Community College
and
University of Maine at Farmington

Statement of Purpose

Central Maine Community College (CMCC) and University of Maine at Farmington (UMF) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at CMCC for admission eligibility to UMF and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: Bachelor of Arts in Biology – General Biology concentration
(UMF Academic Program/Degree)

From: Associate in Science in Life Sciences
(CMCC Academic Program/Degree)

The evaluation and transfer of earned college credits shall follow state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from CMCC shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMF students. All applicants accepted to UMF Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

- * Appendix A contains admission and graduation requirements of the receiving institution
- * Appendix B contains side-by-side course equivalency tables for the academic program listed above
- * Appendix C contains a map of remaining courses to be taken at UMF

The information contained in Appendices A, B, & C is accurate for:

UMF catalog year 2023-2024: [UMF Catalog](#)

Articulation Implementation and Agreement Review

The Chief Academic Officer designees of CMCC and UMF shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a *periodic review of this agreement.*

Signatures to This Agreement

This agreement becomes effective July 1, 2023 and will be reviewed Spring 2026 for renewal discussion.

Transfer Articulation Agreement for Baccalaureate Degree
between
Central Maine Community College
and
University of Maine at Farmington

APPENDIX A

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions requirements: Successful completion of the **Associate in Science in Life Sciences**, submission of completed admission application, transcripts and other supporting materials. For coursework to transfer to UMF, a student must earn a grade of C- or better.
For a list of application instructions and checklist: <https://www.umf.maine.edu/admissions-aid/transfer/>

Requirements for the Bachelor of Arts in Biology – General Biology concentration from UMF: Remaining required course work is listed in Appendix C. Students must maintain a cumulative GPA of 2.0 to graduate, and earn a C- grade or better in all courses required for the major.

UMF Residency Requirement: All students in baccalaureate degree programs must earn the following from the University of Maine at Farmington: 1) a minimum of 18 of the credits required by their major program(s) at the 200 level or above*, and 2) a minimum of 30 of the total required credits.
*An academic program may require that more than 18 credits of advanced coursework and/or specific coursework, such as a capstone course, be completed at UMF.
