

EARLY CHILDHOOD EDUCATION

Associate in Applied Science

The Early Childhood Education degree combines understanding and application of theory with practical experiences working directly with young children, infants through third grade.

The educational outcomes of this program include:

- Learning stages and development of the young child
- A variety of instructional strategies
- Intrinsic and extrinsic motivation techniques to foster positive social interaction and engagement
- Planning and assessment of lessons and activities based on subject matter knowledge and State/National standards
- Demonstrate ethical behavior and professionalism

Graduates may pursue careers with:

- Child Care Centers
- Head Start Programs
- Family Child Care Programs
- Nursery Schools
- Special Needs Programs

With a four-year degree, individuals may become:

- Education Technicians
- Certified Teachers
- Professionals in Education and Social Service Settings

Early Childhood Education Degree Prerequisites/Requirements:

Students will be required to have a record of SBI (State Bureau of Identification) and a child protective report on file with Central Maine Community College. Field experience sites retain the right to accept or deny placement of students based on many conditions, including criminal and child protective records. Therefore, criminal or child protective history could jeopardize an individual's ability to successfully meet all the requirements of the program.

Office of Admissions

1250 Turner Street • Auburn, ME 04210
(207) 755-5273 • enroll@cmcc.edu
