

BUSINESS TRANSFER

Associate in Science

This program is intended for students who anticipate transferring to a four-year institution to continue their studies.

Depending on the student's choice of electives, the A.S. degree provides sufficient options for admission into a bachelor's degree program in business-related areas such as accounting, business administration, finance, human resources, marketing, public administration, international business and management.

The program of study includes course work to help graduates succeed in baccalaureate programs.

Graduates have the opportunity to transfer to a bachelor's degree program in:

- **Business Administration**
- **Finance**
- **Human Resources**
- **Marketing**
- **Public Administration**
- **International Business and Management**
- **Entrepreneurship**

"The instructors are open and friendly, always willing to lend a hand if you need it."
