

HEALTH SCIENCES

Certificate

The Health Sciences Certificate Program provides a strong foundation for students interested in careers in nursing, life sciences, or allied health fields. Graduates of the program will be well-prepared to transfer into two- or four-year degree programs in health-related disciplines.

Students gain knowledge in:

- Medical Terminology
- Effective communication of scientific ideas, assumptions, observations and results in oral and written form
- Understanding psychological concepts
- Anatomy and physiology
- Ethical and cultural competence
- Integrating knowledge across disciplines

Future opportunities for graduates include:

- Lab Technician Positions
- Other Entry-Level Scientific Roles
- Transfer to Advanced Degree Programs
