Transfer Articulation Agreement for Baccalaureate Degree

between

Central Maine Community College

and

University of Maine at Augusta

Statement of Purpose

Central Maine Community College (CMCC) and University of Maine at Augusta (UMA) have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year community college to a university. It is recognized that this agreement shall describe the required program of study at CMCC for admission eligibility to UMA and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: **Bachelor of Science in Cybersecurity**
(UMA Academic Degree)

From: **Associate in Applied Science in Computer Technology**
(CMCC Academic Degree)

The evaluation and transfer of earned college credits shall follow state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from CMCC shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as UMA students. All applicants accepted to UMA Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Appendices A, B & C.

* Appendix A contains admission and graduation requirements of the receiving institution
* Appendix B contains side-by-side course equivalency tables for the academic program listed above
* Appendix C contains a map of remaining courses to be taken at UMA

The information contained in Appendices A, B, & C is accurate for:
CMCC catalog year 2024-2025: CMCC Catalog
UMA catalog year 2024-2025: UMA Catalog

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of CMCC and UMA shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a *periodic review of this agreement.*

Signatures to This Agreement

This agreement becomes effective May 2025 and will be reviewed May 2028 for renewal discussion.

Transfer Articulation Agreement for Baccalaureate Degree
between
Central Maine Community College
and
University of Maine at Augusta

APPENDIX A

This agreement includes specific requirements for admission into a program, outlines requirements, and indicates which degree or diploma can be used to meet program prerequisites as well as general education, major or program, and graduation requirements.

Admissions requirements: Successful completion of the **Associate in Applied Science in Computer Technology**, submission of completed admission application, transcripts and other supporting materials. For coursework to transfer to UMA, a student must earn a grade of C- or better.
For a list of application instructions and checklist: https://www.uma.edu/admission/apply/

Requirements for the Bachelor of Science in Cybersecurity from UMA: Remaining required course work is listed in Appendix C. Student must maintain a cumulative GPA of 2.0 to graduate and a minimum 2.0 GPA in the major.
UMA Residency Requirement: At minimum, 30 credits of a student's baccalaureate course load must be completed at UMA, which must include 9 credits of upper-level major courses.

Additional Institutional Contact Information:

Academic Department Chair (Central Maine Community College)

Name: Christopher Thoma E-mail: cthoma@mainecc.edu Phone: (207) 755-5399

Academic Department Chair (University of Maine at Augusta)

Name: Henry Felch E-mail: henry.felch@maine.edu Phone: (207) 621-3371

APPENDIX B

If subjects in Appendix B are <u>not</u> taken at CMCC, the sequence represented in Appendix C might not be observed.
Only courses in which a student has earned a grade of C- or higher are considered for transfer.

Cybersecurity Accelerated Pathway

- **CMCC transfer students who have completed the Computer Technology AAS and have been admitted to UMA's Cybersecurity BS program are eligible for a 2+1 accelerated pathway that can confer a Bachelor of Science in Cybersecurity, and Master of Science in Cybersecurity in 3 years.**
- **For the accelerated pathway, the student can have five BS courses count as 500-level toward their master's degree or graduate certificate.**
- **Those courses are determined on a case-by-case basis by the Academic Coordinator.**
- **There will be five 3-credit courses remaining to complete the Masters, and only two at a time can be taken each semester.**
