## \* This course is recommended for transfer credit.

- Certifications were not factored in for transfer but can be transferred if applicable, passed, and documented.
- All certifications and IT-specific courses must have been completed within the past five years to be considered for transfer.
- Verify each program's prerequisites and transferable IT Certifications by going to the <u>General Transfer</u> <u>Guidelines</u>.
- This evaluation is based upon current transfer policies and is not guaranteed in perpetuity. Please contact your Enrollment Counselor if your start date is more than 30 days from the date of this evaluation to determine if any updates to transfer policies have occurred that will change the results of your evaluation.
- Competency units are based on semester units for transfer.
